

Growing in 4th News

Room 205

December 15, 2017

Notes from Miss Anderson

- * In Reading, our favorite day was Wednesday! The Read-a-thon was so much fun! We pushed back our desks and spread out on the carpet. During the day, students read independently and had special visitors who came to read a few of their favorite books.
- * In Writing, we worked more on our opinion piece.
- * In Math, we reviewed how to use protractors to measure angles and how to identify the properties of shapes.
- * Woodland Day was also a blast! The Forest Preserve visited and did activities with the class, discussing the "Gift of Glaciers." We learned about the food chain and continued our own research too!
- * Thank you to the parents who made our Winter Party special! I appreciate the time you put into planning our fun party. Thank you to the parents who sent in items for the goodie bags!
- * Have a wonderful Winter Break with your family and Happy New Year!

Upcoming Events

December 18 - Winter Break

January 3 - School Begins

Respectful Citizens

Ethan

This Week's Focus

Reading:

- I can ask questions to think about what is in the book and in my head as I read.
- I can integrate from two texts on the same topic.

Writing:

- I can write about my opinion and give reasons and explanations.
- I can organize ideas about my opinion.

Math:

- I can recognize and draw lines, rays, and angles.
- I can measure angles.
- I can use addition and subtraction to solve problems with unknown angle measures.
- I can show my best work on a test.

Science:

- I can explore the transfer of energy through collision.

Social Studies:

- I can research the Southeast Region of the United States.
