

Growing in 4th News

Room 205

December 1, 2017

Notes from Miss Anderson

- * In Reading, we gathered information from books and articles on the same topic. Students practiced organizing their information into tree maps. We also practiced how to share what we learned through verbal conversations and written form.
- * In Writing, we read opposing articles on topics such as the use of cell phones in schools and the role of nature reserves. Students organized the information from each article and used the information to form their own opinion on each topic.
- * In Math, we switched our focus to geometry. We began to learn about the different types of triangles and quadrilaterals.
- * Weekly Progress Reports were sent home. Please sign them for your child to hand in on Monday.
- * Have a great weekend!

Upcoming Events

December 13 - Late Start 9:20
December 14 - Woodland Day
December 15 - Winter Party 1:00
December 18 - Winter Break

Respectful Citizens

Coming Soon!

This Week's Focus

Reading:

- I can ask questions to think about what is in the book and in my head as I read.
- I can integrate from two texts on the same topic.

Writing:

- I can write about my opinion and give reasons and explanations.
- I can organize ideas about my opinion.

Math:

- I can draw and identify perpendicular, intersecting, and parallel lines.
- I can classify triangles and quadrilaterals

Science:

- I can explore how energy changes.

Social Studies:

- I can research the Southeast Region of the United States.
