Room 205

May 25, 2018

## Notes from Miss Anderson

- \* In **Reading**, we reviewed how important it is to be mindful of a single story. As readers and researchers we need to gather information from a variety of sources.
- \* In **Writing**, we worked on our final draft about electric cars.
- \* In **Math**, we explored making symmetrical shapes and discussed the features of 3D shapes.
- \* Thursday was such a fun day! The students and I thoroughly enjoyed the variety of activities offered on Imagination Day. Don't forget to ask your child about his or her experience!
- \* Have a wonderful Memorial Day weekend!
