

Growing in 4th News

Room 205

November 10, 2017

Notes from Miss Anderson

- * In Reading we focused on summaries of nonfiction texts and analyzing why authors chose to write certain details. This helps us dig deeper in understanding as readers.
- * We began writing opinion pieces this week. Many students commented about enjoying this type of writing! We are working on writing explanations or examples for our reasons.
- * Next week we will have a math test about division.
- * Wednesday will be a Late Start day. School begins at 9:20.
- * Next Thursday will be another Woodland Day. Please make sure your student turns in the Lake County Forest Preserve permission form in order to participate in cutting buckthorn with us. Please make sure your child dresses appropriately for the outdoors and weather.
- * The week of 11/20 will be Parent - Teacher Conferences. Our conferences are on Monday, 11/20 and Tuesday 11/21. Conferences last 15 minutes.
- * Weekly Progress Reports were sent home. Please sign them for your child to hand in on Monday.
- * Have a great weekend!

Upcoming Events

November 14 - Family Science Night
November 15 - Late Start Day
November 16 - Woodland Day
Week of November 20 - No School
November 20 and 21 - Conferences

Respectful Citizens

Sophia

This Week's Focus

Reading:

- I can explain how the main idea is supported.
- I can summarize a nonfiction text.

Writing:

- I can write about my opinion and give reasons and explanations.

Math:

- I can use mental math and place value strategies to divide.
- I can estimate quotients.
- I can interpret remainders.
- I can divide items equally into groups to solve problems.

Science:

- I can discuss ways humans could help repair the damage to the environment.

Social Studies:

- I can research the Northeast Region of the United States.
