

Growing in 4th News

Room 205

November 17, 2017

Notes from Miss Anderson

- * In Reading, we learned about questions we should ask when we read to think about what is in the book and in our head.
- * In Writing, we worked on revising our opinion introductions.
- * The students enjoyed our Woodland Day! We worked on our Habitat Heroes project by cutting down Buckthorn in the morning and researching the history of our land and this invasive species in the afternoon. The students did a great job! We were excited to see how much clearer our Woodland became through the students' hard work of cutting down the Buckthorn.
- * Next week will be Parent - Teacher Conferences. Our conferences are on Monday, 11/20 and Tuesday, 11/21. Conferences last 15 minutes.
- * The Scholastic Book Fair will be open during conferences next week if you would like to stop by before or after your conference.
- * There will be no school next week. School will be back in session on November 27.
- * Have a fun and safe Thanksgiving Break!
