

Growing in 4th News

Room 205

October 20, 2017

Notes from Miss Anderson

- * In Reading, we continued our focus on main ideas. Small groups worked on supporting the main idea with details from the text. We also focused on identifying Words of the Wiser signposts when we read. These are moments when the main character is given advice that helps the character learn a lesson.
- * In Writing, we worked on organizing our information into paragraphs.
- * Weekly Progress Reports were sent home. Please sign them for your child to hand in on Monday.
- * Tomorrow we will have our Fall Festival! It is from 3 to 6 PM. Our class decorated a wreath last Friday, that will be raffled off at this event.
- * Have a fantastic weekend!

Upcoming Events

October 21 - Fall Festival 3-6 PM

October 31 - Halloween Party

November 3 - No School

Respectful Citizens

Maya, Kallie, Colby, Brayan, Mia

This Week's Focus

Reading:

I can determine the main idea of a nonfiction text.

I can use details to support my thinking.

I can identify Words of the Wiser signposts.

Writing:

I can organize my ideas for an informative piece of writing.

Math:

I can solve multi-step word problems by identifying the hidden question.

I can show what I know on a test.

Science:

I can describe weathering and erosion.

I can describe natural forces that create fast and slow changes in rock formations.

Social Studies:

I can make a map of the Northeast.
